

PRESS RELEASE | BUDAPEST, OCTOBER 10, 2024

Loxon Secures #52 Spot in Chartis RiskTech100® 2025 Rankings

Loxon is thrilled to announce its inclusion in the prestigious **Chartis RiskTech100® 2025 rankings, securing the #52 position overall**, an advancement from last year's ranking. This recognition marks another milestone in Loxon's continued commitment to **excellence in risk management technology for the financial services industry**.

The RiskTech100® by Chartis is an annual evaluation of the **top 100 technology providers in risk management**. It is widely regarded as the most comprehensive independent study of the world's major players in risk technology. Loxon's steady rise in the rankings reflects its dedication to **delivering innovative solutions that address the evolving challenges of risk management**.

*"We are honoured to be recognized in this year's Chartis RiskTech 100 rankings," said **Tamás Erni, CEO of Loxon**. "This recognition reflects our team's unwavering dedication to providing cutting-edge solutions in risk management technology. We look forward to continuing our work in driving innovation and helping our clients navigate the complexities of the financial landscape."*

Tamás Erni
CEO, Loxon

*"Loxon continues to expand across the retail and wholesale lending markets, with product coverage that supports the entire credit management lifecycle, including areas such as lending operations, credit portfolio management, credit risk and analytics," said **Anish Shah, Research Director at Chartis**. "This product expansion, supported by an appropriate technology infrastructure and service model, is reflected in Loxon's performance in this year's RiskTech 100."*

Anish Shah
Research Director
Chartis

Loxon remains committed to enhancing its technology solutions **to support the risk management needs of its clients worldwide**. This achievement underscores Loxon's position **as a trusted partner** for financial institutions seeking to **stay ahead in today's competitive market**.

About us

Loxon is a trusted business solutions provider with more than 20 years of experience in the field of end-to-end credit management. We are offering comprehensive, integrated lending, collection and risk management solutions for the financial services industry.

About Chartis

Our mission is to support banks, tech vendors, investment managers and insurers with independent research and advice on all aspects of risk, compliance and financial technology. With our strong customer relationships and deep technology expertise, we are uniquely able to map market trends and vendor landscapes in financial risk, trading, credit, financial crime, GRC, insurance and energy.
